This list includes everything that you will take backpacking including the clothes that you have on at the trailhead. No more, no less! The Troop will supply water filters, first-aid equipment, cook kits, stoves, fuel, and maps. We have a few backpacks, sleeping bags, pads, and tents that can be borrowed. All equipment borrowed from the Troop must be returned clean and in good repair.

Menus are determined by your patrol. Transportation is arranged by your patrol, too.
