The August 12, 2008 meeting of the Bolivar Liberator Chapter was held at the Bolivar FBO. We enjoyed northern pike, compliments of the state of Minnesota and our newest members, Michael and Denise Strickland and their children. Other members provided steak fries and other sides and desserts.

Present were Jonathon Rimington, Wally Edwards, Bob and Sharon Pollard, Steve Marshall, Don and Pat Baker and their guest Fred Ware, Dave Strader, Nick Maas, Jim and Mary Shawley, Dean and Fay Jefferis, Michael and Denise Strickland and their son and daughter, Dean Davis, Marc and Shari Popejoy, new member Ed Walker, Gene Engledow, Jack Reynolds and Glenda Durnell, John and Nancy Savage, Robert Eckert, Frank and Gwen Stretesky, Duane and Kay Smith, and guests Rex and Linda Smith.

Also joining us this month were some of the members of the Bolivar City Council's Airport Committee, including Larry Crites, Steve Sagaser, and City Manager Ron Mersch.

Our guest speakers included Todd Crooks, Capt., USAF, Richard Clark, TSGT, USAF, and Charles Cunningham, TSGT, USAF (ATC).

The minutes and the treasurer's reports were approved as read.

Flyout Report: Jack reported that Miami County Airport, Paola, KS (K81) is a possibility, perhaps for an August 23rd fly-out. Many went to Oshkosh, including Jack, Gene, Marc, Dan Manna, Chris Ambrose in his Stinson, Jonathon, Wally, Marc and others. All reported having a great time there.

Old business: Don Baker has volunteered to chair the scholarship committee.

After the official business meeting, we had the distinct pleasure of learning about the MOAs, VR and IR routes, and Restricted Area over Ft. Leonard Wood, as well as an in-depth discussion of the various training operations out of Whiteman AFB, compliments of Capt. Crooks and TSGTs Clark and Cunningham.

Respectfully submitted,
