The Tuesday, August 9, 2011 meeting of the Bolivar Liberator chapter of the Missouri Pilots Association met at Citizen's Memorial Hospital in Bolivar, Missouri, in one of the facility's community rooms, where we were provided with a delicious meal of Grecian salad, chicken Marcella, California blend veggies, twice-baked potato casserole, and carrot cake; Duane Smith led us in the Pledge of Allegiance, with Don Baker blessing the meal and meeting.

Present were Jim and Mary Shawley, Bob and Patti Anderson, Nick Maas, Jim and Jean Raney and their guests Denzil and Donna Roberts, Sam and Bev Swihart, Alderman Arleen Ferguson, Dean Jefferis, Jack Reynolds and his guest Steve Holden, Terry Jackson, Duane and Kay Smith, Marc Popejoy, and Gene Engledow; our special guest speaker and his wife were Clyde and Patricia Ehrhardt, of Ehrhardt Aviation Agency.

Marc opened, with the reporting of an incident in Augusta, GA consumer electronics appliance retail outlet, some Marines who were volunteering their time for their trademark Toys for Tots, and a hapless would-be shoplifter. The shoplifter's career was cut short.

WINGS: We have rescheduled our WINGS training session to take place September 10, to coincide with the scheduled fly-in/open house at M17.

Aviation News: Mention was made of the Idaho father and son pilots who are planning a 65-day continuous flight in a highly modified C172; in-flight oil changes and aerial refueling are on the agenda, which the father, an ATP used to do during his F-4 days. For more information, see [http://www.eaa.org/news/2011/2011-04-07\\_65days.asp](http://www.eaa.org/news/2011/2011-04-07_65days.asp).

**Fly-outs/ins:**

Chris Martin, of the Southwest Baptist University's Athletic Department, has requested the Bolivar Chapter perform its signature flyover of Plaster Stadium Saturday, September 10, at 5:56pm for SBU's season opener football game against Arkansas Tech.

Lincoln, OR2, is hosting a fly-in Saturday, September 10. They have graciously agreed to send folks down to M17 for *our* fly-in/open house as they are leaving OR2.

Old Business: There was none.

President	Marc Popejoy

New Business:

M17's Open House!! First, there will be a planning session, at 7:00am August 13 at Jack's hangar. It is important for all of us to make an effort to participate to make this a success.

Sam Moved that the Bolivar Liberator Chapter join with the city of Bolivar in making this open house a success. Jack Reynolds seconded the motion. The motion passed unanimously; Jack emphasized the dilapidated condition of M17, and the importance of expending considerable time and sweat equity in the next weeks to spruce up the field.

Also on the agenda is a planned presentation to the Bolivar Airport of a new U.S. flag by our local state senator.

For the September meeting, we'll go down to Table Rock Lake, and ride Wally and Nita's boat September 17<sup>th</sup>. More details will be mailed out later.

Sam Swihart moved, and Mary Shawley seconded that we adjourn from the business meeting.

After the business meeting, we enjoyed visiting with Clyde and Patricia Ehrhardt, of Ehahardt Aviation Agency, who shared many important items of interest concerning several facets of aviation-related insurance and its unique issues, including, for example, non-owners insurance: Many owners' policies cover a borrowed/rented plane when their own aircraft is undergoing maintenance; however, borrowing or renting a six-seat plane rather than their own airworthy two-seat puddle jumper are likely not covered under the non-owned clause.

He also mentioned that aviation liability rates are so economical that it might make more business sense to buy your sixteen-year-old son a \$25,000 airplane and insure it, than purchasing him a car and covering it!

Respectfully submitted,

Jim Shawley  
Secretary
