

The Bolivar Liberator Chapter of the
Missouri Pilot's Association
December 14, 2004

The cooks were thanked for a wonderful meal. Bob introduced his wife, Sharon, to the chapter. Eric Moore led in prayer and pledge to the American flag. Geri Moore read the minutes with a correction of "VFR" instead of " IFR" for the coupon from Wings, Duane Smith moved that these pass and Dean Jeffries seconded. Motion passed. Pete Mosca reported that we now have \$1850.82 in the treasury, (we paid for three meals last meeting). Geri Moore made a motion that we approve the report, Sam Swihart seconded. Motion passed.

Activities: The fly over for the Hermitage and Bolivar Christmas parades was great! We would like to thank the following pilots for their time and effort: Duane Smith, Sam Swihart, Adam Mouse, Steve Marshall, Colin Wilson, Bob Pollard, and Dean Jeffries. The fly over for the National cemeteries was weathered out and the Buffalo Parade experienced some difficulties.

A photo was passed around of one of the planes as it flew over the court-house. It was fabulous! Thanks to Earl Blankenship for the photo. There were many positive comments from City Hall.

No other committee members were present so we called for adjournment. Pete Mosca made the motion and Sam Swihart seconded. We then entered our annual game of gift exchange. It was so much fun. Top winner went to Diane Warren who got a gift certificate to eat at her own place. The DVD's and VCR's got worn out as they were passed from one pilot to another. Geri Moore called for adjournment. Motion passed.

Next meeting is on Tuesday, January 11, 2005 at the Plane Café. See you there.

Respectfully submitted,
Eric and Geri Moore- co secretaries
