

**The Bolivar Liberator Chapter of the  
Missouri Pilot's Association**

Our web page --<http://www.orgsites.com/mo/mopilots-bolivar>

The Bolivar Liberator Chapter of the Missouri Pilot's Association met on Tuesday night, March 8, 2005, at the Plane Café in the Bolivar airport. President, Bob Pollard, called our meeting to order. MPA President, Duane Smith, led us in our salute to the flag and in our invocation. After our meal, the cooks were thanked for preparing a wonderful Italian dinner (Eric and Steve are not going to tell their wives that they both ate at least two pieces of cheese-garlic bread; it was delicious).

No secretary's minutes were read; Eric forgot to bring the minutes of our last meeting (his wife was ill this evening, and without Geri's presence, Eric was brain dead). Treasurer's report noted a balance of \$1913.52.

Activities Committee: Dean announced the details of our Hot Springs flying trip to be held on April 2<sup>nd</sup>. Participants will meet for breakfast at the Plane Café; then all will fly to Hot Springs for the day. If anyone has any money left, they will fly back that evening. Dean is planning a Bolivar Poker Run for April 16, and the state MPA will hold a Poker Run on April 23<sup>rd</sup>.

Scholarship Committee: Don reported on the process of getting current applications to area schools and provided information concerning students currently interested in our scholarship process. Don gave us an update on the status of our current scholarship recipient.

Safety Seminar: Our president, Bob Pollard, led us in a discussion of the status of the safety seminar that will be held on Tuesday, March 15, at our M17 airport. Rex Warren, our FBO, will be providing hangar space, tables, and access to tea, coffee, and soft drinks. The membership of our chapter will be bringing finger and snack foods. Don Baker will provide extra chairs to supplement the chairs available from the airport.

MPA Report: Duane Smith reported on the planning and progress of the MPA state convention to be held June 11<sup>th</sup> at the Neosho airport. Duane also reported on the state air tour planned for the weekend of April 23<sup>rd</sup> with a rain date of April 30<sup>th</sup>. The air tour will be an overnigher, so pack a toothbrush. Both events will be exciting and members were highly encouraged to participate.

The membership was polled concerning the entrée requests for upcoming dinners. The favorite past entrees were chicken strips, ham and sweet potatoes, roast beef, and beef brisket (actually anything Rex Warren will slow cook on his famous smoker had a high vote priority). Members voted on their choice for next meeting, and the roast beef won the day; although, I think I observed Pat Baker and Steve Marshall voting for every entrée choice. We had no planned

program; we are encouraging all members to attend and support our safety seminar next Tuesday night. Meeting was adjourned.

Respectfully submitted,  
Eric and Geri Moore, Co-Secretaries
