The May 13, 2008 meeting of the Bolivar Liberator Chapter of the Missouri Pilots Association met in Dean Jefferis' hangar, which he graciously provided. Attending were Kerrick Tweedy, Alan and Lucas Roberts, Dean Jefferis, Nick and Jobeth Maas, Frankie and Gwen Stretesky, Wally and Nita Edwards, Rex Warren, Steve Marshall, George Nixon, John and Nancy Savage with guests Bill and Mary Kolinda, Marc Popejoy, Jim and Jean Raney, Brian Burchett and his fifteen-month-old son Caleb (who brought his own personal Fisher-Price airplane), Sam Swihart, Don and Pat Baker, Jack Reynolds and Glenda Darnell, Duane and Kay Smith, Jonathon Rimington, Pete Mosca, and Jim and Mary Shawley.

Alan was kind enough to smoke two turkeys and a pork tenderloin; the ladies provided sides, salads, and dessert which we all enjoyed after Lucas led us in the pledge and Kerrick led us in thanksgiving for the food.

The meeting was called to order by Alan Roberts. The minutes were approved as presented; the treasurer's report showed us as having \$943.71, with \$687.00 to the winner, and \$704.00 to the pot. The treasurer's report was approved as read.

Under Old Business: All old business, essentially flyouts/flyovers, had been resolved.

Under new business:

Peter Hauer was unfortunately unable to attend, but Don Baker related the Released Time Christian Education children's flying mission: at least 27 children (and two adults) flew on April 26, 2008. Mention was made about the good done by those who perform Angel Flight missions. Dean Jefferis noted that Saturday, May 24th will be the Turkey Mountain 8:00 am till noon omelet flyout.

Kerrick Tweedy submitted a request from one of Bolivar High School's JROTC students, Joshua Witt, regarding our aviation scholarship program.

Alan called for the formation of a nomination committee to present a new slate of officers for next year's term. Frankie Stretesky has volunteered, as has Pete Mosca.

Next month's meeting is scheduled to be held here at the airport June 10th, at 6:00pm. To help defray the cost, it was agreed that \$5.00 per person would be donated; extra monies would go to the treasury for the scholarship.

As a last item of business, the Bolivar Liberator Chapter presented a certificate to Dean Jefferis acknowledging his work as the 2007 Aviation Ambassador. Well done, Dean! With that, the meeting was adjourned.

Following the meeting we had the distinct pleasure of listening to Jack Reynolds' sharing some thoughts about aviation safety, as well as some thoughts about the Experimental Aircraft Association and Oshkosh experiences.

And, the weather held off until we all made it home!

Respectfully submitted,
