May 8, 2007 -- Bolivar Chapter of the Missouri Pilot's Association

After the Prayer, and Pledge and a wonderful dinner, the meeting was called to order by President John Savage. The minutes were approved as printed in the Missouri Pilots News and the treasurer's report is the same as last month.

May 12thAll pilots and spouses remember that our Shrimp Boil will be held at **1 pm in Dean's hangar. Note the change of time.** Ground school will begin at 8:00 a.m. followed by the WINGS flight training. Jim Shawley is serving as interim for our WINGS chairman. In June Jack Reynolds will become our training and WINGS officer.

Presently our membership is at 72 members for the Bolivar Chapter. Jack Reynolds reported that the FAA decided to change the WINGS program. Our chapter members are encouraged to continue meeting with our WINGS programs to continue learning safety and to become more and more proficient in flying. Jack also encouraged all members to strive to attain an instrument license; the more you fly, the more you practice, the more you learn, the better off you will be.

Details are being worked out for the student scholarship. Present rate is \$95.00 per hour.

Dates to remember:

May 19 -- MPA day at Columbia

June 1 and 2 -- Bartlesville, Oklahoma SPAD from WWII will be shown. John Savage said that he has been there to see it and it is fascinating.

May 26-28 -- is the Memorial Fly Show in Columbia. Fly to Jefferson City and take a bus to Columbia.

June 12 -- we will have election of officers.

June 16 -- Aurora Airpot has an air show

June 23-24 -- State convention in St. Joseph, MO

June 30 -- Osceola will have Independence Celebration. Bolivar will do a fly over. Preflight is at 8 pm. It will be an early evening flight.

July 23-29 -- Osh Kosh

Special recognition went to Duane Smith. Duane was featured in the MPA News. Kay Smith passed around thank you notes written to us by the children who were given plane rides a couple of weeks ago. This program not only peaks interest in flying but also encourages students to have perfect attendance in school. One of our heroes for the day goes to one of our pilots, Paul Evans. Even

though his house burned down to the ground only two days before this event, Paul came and flew kids. You are awesome Paul. Our prayers are with you and your family.

Ava was visited by members of our chapter and were enthusiastic about MPA going down and leaving brochures. "Let the Dream" is the brochure that was passed out here and to the kids.

Alan Roberts met with some of our law makers in Jefferson City about the plight of our GA. He visited with Delbert Scott, Mike Parson and others. He was introduced to the speaker of the house with his group of pilots.

Peter Hauer reported that Joe Pesca and Jason Nip from MODOT will be here for our June 12 meeting. He is young, fresh and wants to listen to pilots. Jonathan Rimington reported that FAA is changing from old WINGS to new WINGS. Be looking for new guidelines.

Eric Moore moved that we adjourn and Pat Baker seconded. Motion passed.

Dr. Disco Don Baker presented the program. For Christmas, his wife Pat gave him a video on WWII fighter planes and a gift of 30 minutes of pure fun flying. Don took off at the Aurora Airport in an AT6 with three cameras mounted. One camera was on the wing, one on the tail, and one in the cockpit. Flying at 6500 feet with a lead pilot, Don did aileron rolls, loops, Cuban 8s and Hammerheads. He showed us the video that was produced by the three cameras and discussed speeds needed for each move, and gas intake. It was very interesting.

We are signing off for now. We have enjoyed being the co-secretaries for our chapter since 2001. We will be moving to Mississippi. Keep in touch. We will have the same email address emoore@sbuniv.edu. Take care and God Bless you and keep you safe.

Eric and Geri Moore
