

The Bolivar Liberator Chapter of the  
Missouri Pilot's Association  
November 9, 2004

The Bolivar Chapter of the Missouri Pilot's Association met at the Plane Café in Bolivar. The meeting was called to order by President Bob Pollard. Don Baker led in prayer and pledge to the American flag. We then changed the format of our order so that the guest speaker could speak first and then get on the road home.

Brady Terry, Kenneth, and Alisa drove all the way from Fayetteville, Arkansas to be our guests for the evening. Brady presented an entire packet on trouble shooting the aviation electronics. Terry detailed many ways that a pilot can save money by having the right information. After all said Brady, "Time is Money." Check for corrosion, broken, frayed wiring, disconnected brackets, lights, and joints. Sometimes the wire is grounded due to breaks in wire. Sometimes the mounts have shaken loose. Brady passed out a full packet of explanations to the entire group of pilots. The discussion was extremely helpful. For more information contact WINGS Avionics, at Fayetteville Airport, 421 Ernest Lancaster Dr., Fayetteville, AR 72701. Phone number is 479-587-0005, Fax is 479-587-0020.

We then had our wonderful dinner of turkey, potatoes and gravy, rolls, corn and salad. Pat Baker brought a cake in honor of Don Baker's birthday. The cooks were thanked, and we continued with the business portion of our meeting. Sam Swihart moved that the minutes be approved as read. Pete Mosca seconded. Motion passed. Pete Mosca gave a treasurer's report. To date we have a balance of \$1880.52.

Activities:

Dean Jeffries reported:

- Veterans Fly Over is scheduled for this Thursday. Meet at 8:30 for breakfast; depart at 11:30 to fly over the square and then to the Springfield National Cemeteries. The plan is to give as many veterans a flight as possible for the remainder of the day.
- Buffalo parade is this Saturday. Meet at 1:30 at the airport and leave for parade at 2:00.

Scholarship:

Don Baker reported:

- Kevin Barnhouse came out to the airport to begin instruction, but the plane had some problems and was not ready. It is now fixed and ready to go. and so is Kevin. We wish him our best.

Old Business:

- In the corner of the café you will see a new aviators photo gallery. Please bring in your photos to fill this gallery. If you don't, you may be surprised to see what goes up.

New Business:

- Kenneth, from Wings Avionics left us with a very nice IFR certification for avionics for free. We will use this as a door prize at our Christmas meeting in December. It is worth \$60.00. So make sure that you come to our December meeting. Pete Mosca made a motion that we use this for a drawing. Sam Swihart seconded. After discussion, Rex Warren called for the question. Motion passed.

- ❑ The Christmas Party is December 14. We will trade gifts that evening. (Some of us will trade more than once, I can guarantee that). Try to limit gift to \$10.00. This is always a fun time! Join us in the fun!
- ❑ Duane Smith discussed a way to make money for the scholarship fund. He discussed a 50/50 game. Sam made a motion that we create a game for raising money. Paul seconded. Motion passed. Duane will work out the details.

Geri Moore called for adjournment. Motion passed.

Respectfully submitted, Eric and Geri Moore, Co-secretaries
