Our character value for November is **Responsibility**. Responsibility means taking care of the things we are expected to do. At school, being responsible would mean coming to school on time, following class rules, and finishing our work. When you are responsible, others can depend on you. Good decisions usually mean good consequences. Think of good things that will happen when you are responsible!

Here are some great quotes on responsibility:

"The Price of greatness is responsibility."

"Knowing is not enough; we must apply. Willing is not enough; we must do."

"The purpose of life is a life of purpose."

From The Office

Parents must send a note to the teacher or fax any changes in daily transportation.

Also, please continue to help reduce the number of tardies for our school by dropping off your children before 7:30.
