Kinette Song

Here we are, together once again
Happy in the family of Kin
We've forgot our cares and worries too
Kinettes we've work to do
Each of us will help to bind the tie
So the heart of Kin will never die
One and all, let's raise our voices high

Kinettes, Kinettes, Kinettes

Kinette Grace

May the Lord make us true Kinettes
In our thoughts and deeds
And make us truly grateful
For the food we receive

Kin Motto

"Serving the Community's Greatest Need"

Mission Statement

"Kin Canada is a dynamic volunteer organization enriching our communities through service while embracing national pride, positive values, personal development and lasting friendships."

President's Message

Mid-October.

The sun shines a little softer; the winds blow a little cooler. Sunrise is delayed; nightfall comes early. Leaves trickle slowly to the ground. We give Thanks for our friends and family.

This month, I issue a challenge to each of you: talk about Kin! I would like to see an increase in guests at the November meeting – and that begins with each of us informing someone about our club, inviting them for dinner and a meeting, and ensuring they know about all of our upcoming meetings and events.

There will be a very special event at the November meeting – which will be better with more people to participate in it! Bring a guest, and let's show them that our club knows how to

Grow. Learn. Make Friends. Have Fun.

Yours in Kin,

Krista

LNO: Robin reported that we have decided to postpone LNO until the spring. We had great support for Portraits of Honour, and we don't want to go back to the same sponsors asking for more. We also don't want to burn out our members. Once we hear when the Lethbridge LNO is being held, we'll decide on a final date. Robin will remove the dates from the poster and we'll start circulating the word that it's coming in the spring.

Old Business:

Office Expenses: If you have any documents you need printed for the club, please contact Robin or Deb as they can do the printing on their home office printers.

Project Ideas: General discussion revolved around the need to limit projects so we don't get too burnt out. Joan brought up the idea of picking up batteries from farmers. This has great profit potential. Joan has volunteered to coordinate this project. We will not plan any further projects at this time.

FLC: There is a bus leaving from Calgary on Friday, Oct. 21 at 2 p.m. Pam and Deb are planning to go. Please let Krista know if you are planning to attend.
