*5% Back to Schools Program is available at Office Depot® store locations, by calling 1-800-GO-DEPOT (800-463-3768), and online at www.OfficeDepot.com or in Canada at www.OfficeDepot.ca only. There are four program periods: a) January 1 through March 31; b) April 1 through June 30; c) July 1 through September 30; and d) October 1 through December 31. Five percent of qualifying student school supply purchases made during each program period will be tallied under the name of each school designated by our customers. Qualifying purchases are categorized as basic school supplies, i.e., notebook paper, pens, pencils, crayons etc. Products that do not qualify are 1) all technology and consumer electronic products and accessories, media and software that is not education or reference related, 2) all furniture items and furniture accessories, 3) all ink and toner cartridges, 4) Gift Cards and postage stamps, 5) purchases from Design, Print & Ship, 6) and purchases made to contract business accounts. At the end of each program period, the total credits tallied per school will be offered to that school in the form of an Office Depot® Merchandise Card for its use toward the purchase of any products or services from any Office Depot® store. Credits are only effective once the offer is accepted. Credits will be issued 60 days after the end of each program period and will be valid for 120 days after the date of issuance. Credits will not be offered to schools with less than \$10.00 in tallied credits per program period. See your local Office Depot® store for a list of qualifying products. Office Depot® will honor up to \$10 million in total credits to the designated schools that opt to participate. Unaccepted/declined credits immediately expire and are void. Limited to Pre-K-12th grade.
