

## Salvation Army Kettle Bell Ringing Campaign – 2008

Paul Perez worked one of the early shifts at the West Fargo Sunmart.

Chris Barton and her daughter Kennedy sign up to Ring the Bell as a Christmas family tradition of giving.

Mike Reitan and his son covered the last shift of the day. Their Boy Scout Troop also volunteers to Ring the Bells.

Larry Weil covered his shift in the afternoon and stayed another hour to cover a shift of a member not able to be there.

The West Fargo Exchange Club participates in the Salvation Army Kettle Campaign. Each Christmas season, our club volunteers to cover a Saturday during the Kettle Campaign. This year, we worked the first weekend of the campaign by Ringing the Bell at the West Fargo Sunmart on November 22<sup>nd</sup>. It is a wonderful experience to see the generosity of our community and to show that our club is an active member of our community in caring for others. Members who gave of their time to Ring the Bell were:

- Arland Rasmussen
- Paul Perez
- Chris Barton
- Bernie Dardis
- Rob Kaspari
- Larry Weil
- Kevin Kragnes
- Larry Lubben
- Mike Reitan

Kevin Kragnes worked his shift and part of another.
