One of the Community Service projects of the West Fargo Exchange Club is an annual Senior Appreciation Night. Each year we provide entertainment and some dessert to show our appreciation for all these senior citizens do and have done for our community. This year we provided a band – Buck's Band-Its – to play some polka and waltz music for the seniors as they enjoyed pie and ice cream and coffee plus some socializing. They are so appreciative of this attention and it is such a rewarding experience for the members who volunteer. We had about 120 seniors in attendance. Members who volunteered for the event this year included:

- Kevin Skoog and wife Lonna
- Bernie Dardis and wife Louise
- Larry Lubben and wife Sheila
- Paul Graham
- Mark Simmons
