The West Fargo Exchange Club participated in the annual West Fest Celebration in West Fargo by walking in the 2009 West Fest Parade and handing out flags to children as part of the GIVEAKIDAFLAGTOWAVE program. September 19 - was a beautiful clear day with a nice breeze to go along with a temperature of 82 degrees. There was a very large crowd for the shortened parade route this year due to major construction on Main Avenue. Members and spouses who helped with the project were Wally and Sandy Fuchs, Chris McShane, Kevin Skoog, Kevin Kragnes, Jake Lauritsen, Larry Lubben, Larry Weil, Deb and Ron Fuglie, and Chris Heise. We handed out about 3,700 flags to the children along the parade route and to some adults who asked if they, too, could have a flag to wave during the parade. Special thanks to the local West Fargo VFW Club who donated many of the flags that were distributed by the Exchange Club at the parade this year and in years past. It is a great Service Program of the National Exchange Clubs.
