

# Golf Outing – 2009

Chris Heise, who organized this year's Golf Outing, and Jake Lauritsen, who has run these events in the past. Nice hairdo, Jake!

The lineup of carts as the event is ready to take off – it was a shotgun start so every team started on a different hole.

Team Neugebauer on the course – Lavonne Selberg, Barry Branvold from the Grand Forks club, Mitch Heinen, and Brian Neugebauer.

LeRoy Adams looking for his ball – LeRoy, it has to be in the fairway to be able to count in the Longest Drive contest.

The 2009 Golf Outing was held on Tuesday, September 15<sup>th</sup> at the Maple River Golf Course. Chris Heise organized the event and a great time was had by all. Over 55 members and guests participated on a day where the weather was about perfect. A special Thanks to all of the sponsors and people who donated items for this event – the results and prizes are noted below as provided by Chris Heise.
