The Snacks For Schools project provides snacks to the elementary schools in the West Fargo School District to give to kids who do not have snacks that particular day. There are situations where students do not bring snacks from home and the school now can provide the snack to make sure the student has a healthy snack that day. On August 24, 2009, Jana Samek, Dorinda Anderson, Chris Heise, and Larry Lubben shopped at Sam's Club and delivered the purchased snacks to the nine schools in the West Fargo School District:

- Osgood Kindergarten Center
- Lodoen Kindergarten Center
- Eastwood Elementary
- South Elementary
- Westside Elementary
- Aurora Elementary
- Horace Elementary
- Harwood Elementary
- LE Berger Elementary
