

Noon Meeting – Tuesday, February 2, 2010

Our guest speaker for today's meeting was WF Packer Boy's Basketball Head Coach Greg Limke.

Member Brock Storrusten was in charge of the program today and invited the WF Boy's Basketball coaches to speak.

Assistant coach Dale Olson and his wife Teresa were guests – Dale also spoke to the membership about the Boys BB program.

Kerry Finn is a new member of the club with Louie Lauritsen as her sponsor. Kerry turned in her application at the meeting.

Kevin Skoog started the meeting with some announcements including encouraging members to sign up for the planning committee for the 100 Anniversary District Convention in June of 2011. Call Louie if you wish to participate. Brock Storrusten introduced Greg Limke as our speaker. Greg is the head coach of the Packer Boys Basketball team. He has a great group of young men this year and the team is off to a very good start. Last Saturday's game was on TV channel 4 where the Packers won a close one in overtime over Fargo South. The team has a 9-3 record. A question was asked about the big fellow – 6'8" Justin Schock – where did the height come from. Justin is a junior whose family moved her from North Carolina. He is playing well and will be even better next year with the experience. Dale Olson spoke to the group and gave us some perspective on the coaching staff and the great job that Greg has done with this team – not a lot of starts but a lot of players who play hard and always give their all. Dale retired from the Minot school system and moved south for his retirement – all the way to West Fargo. Thanks, Brock, for the interesting meeting.
