

GIVEAKIDAFLAGTOWAVE – 2010

We had a nice group of members and spouses as well as a Boy Scout Troop helping with the distribution of the Flags at the West Fest Parade.

Ron Fuglie drove the truck carrying the flags – Louie Lauritsen is shown with Ron as the parade is ready to start.

Deb Fuglie rode in the back of the truck to hand flags to the walking members.

The Boy Scout Troop also helped us this year as part of a Service Project.

Louie Lauritsen, Chris Heise, and Larry Lubben ready for action.

There was a huge crowd along the parade route as members hand out the flags.

Jana Samek and Chris McShane on the parade route handing out flags.

With a good turnout of members and helpers, we were able to keep a good pace.

The West Fargo Exchange Club participated in the annual West Fest Celebration in West Fargo by walking in the 2010 West Fest Parade and handing out flags to children as part of the GIVEAKIDAFLAGTOWAVE program. September 18 - was a beautiful clear fall day with a temperature of 65 degrees. There was a very large crowd for the shorter parade route, again, this year. Members and spouses who helped with the project were Tim and Kim Keller, Chris McShane, Kevin Skoog, Kevin Kragnes, Jake and Stephanie Lauritsen, Larry Lubben, Jana Samek, Deb and Ron Fuglie, Louie Lauritsen, Lars Dyr Dahl, Dave Geske, and Chris Heise as well as the Boy Scouts. We handed out about 4,500 flags to the children along the parade route and to some adults who asked if they, too, could have a flag to wave during the parade. It is a great Service Program of the National Exchange Clubs.
