The Night To Unite event is sponsored by the WF Police Department and the WF Park District. Our club volunteered to help with manning the entrance and handing out maps and bags for keeping the many give-away items handed out by the various vendors. We also worked the Games To Go event and also drove golf carts from the entrance to the parking lots to help those needing assistance getting to the venue. Members who helped with the event this year were Kory Shae, Mark Simmons, Shane Lebahn, Shawn Preabt, Ron Fuglie, Kirk Beckius, Jay Kleingartner, Larry Lubben, Brad Schmidt, Larry Weil, Jake Lauritsen, Chris Heise, Jason Semerad, and Craig Becker. It was a very nice evening – a bit on the humid side – but a large crowd and large number of vendors participating made this a great community event.
