

Hello Ladies!

We are updating the Membership information and conducting a survey. Please reply to this email and fill in the information below. Have fun with it. I'll publish some group "statistics" about our membership in the next newsletter. (I won't identify you by name unless I ask your permission first.) I'm curious to know how many years we have been stitching, as a chapter, and what other kinds of things we do!

*Note: If you do not want to give us some of the information, please fill in "PRIVATE" for that item, so we know not to ask you about it again.*
