Issue 2

February 2006

Letter from the President

Greetings RVR Friends,

Another month has passed. Thanks to Art and Diane for hosting the February meeting and the good time at your home. There were 13 members in attendance, good food and conversation all around great to see Henry and Carrie out and feeling better. There were a lot of faces that I didn't see hope you weren't all sick. We missed you.

Can you believe the weather this winter almost makes you want to get your bike out and ride on some of the days when it was in the high 40's and 50's. I hope you are all gearing up for a good year for riding. Have you paid your Club dues??? Time slips by quickly don't forget. Leigh Ann you did a good job filling in for your Mom thanks for stepping up to the plate.

Bob Howe I hear that you just had an 87th Birthday. Happy Birthday from all of us we wish you many more. It's always good to see you out riding.

March meeting will be at Keith's place. He has a big!!!! Table with room for lots of food, and plenty of room to mingle around and visit. I sure hope to see you all there.

May your dreams be all of great bike rides? Don't forget to call Lisa with your ride plans. Make those dreams come true.

See you in March,

Nancy Bruce

Well, here it is. Another Month gone by and the mother nature is teasing us with warm days and cold nights. I am currently in Maryland and the weather down here isn't much different then back home. We had snow (if you want to call it that) yesterday. Maybe a total of an 1/8 to 1/4 of an inch. School had a two hour delay here.

I figure there is only another month and a half to go before I will be getting back out and starting the two wheeler up. Looking forward to a long warm summer with nothing but good weather. (I just know it is going to happen this year. Only rain when I am working and dry up before I have to leave. Every weekend is going to be just beautiful.)

Next meeting will be held out my place. There is a lot of room so I am expecting everyone there. If you get lost on the way then let me know and we will have to get a series of club rides together and call them "Getting to Know Your Neighborhood and Surrounding Towns." Just kidding. It really isn't hard to find. Should be a good time. See you there at 6.
