Letter from the President

I hope this Newsletter finds everyone in good spirits and enjoying there summer riding season. It has been a very busy month in the Vergobbe household. Robby, Les and I took a ride up to the Hill climb during Laconia Bike Week. It was a fantastic ride, very warm. Robby and I went into the Hill climb and enjoyed watching Dirt Bikes, 4 Wheelers, and Snow Mobiles head up the hill. There was even Professional rider there that wowed the crowd with amazing speed and really, really long jumps up the hill with his extended swing arm dirt bike. We got some lunch and Ice Cream before heading back on the road for our trek home.

Next Em, Robby, Alexis and I went up to Les and Mayda's house up North. Lex and I took my bike while Em and Robby rode in the car. Alexis had her first camp out at Camp Farnsworth that weekend and Emily went Tag Saling with Mayda and Wendy while Robby, Chris, and Josh Houle took a ride over to Laconia for the day on Saturday. Alexis and I rode up Route 5 all the way up on Friday night and that was actually a really nice ride with moderate speed limits, some nice corners and great scenery. We stopped and stuffed ourselves with Pizza and Hot Wings about 30 minutes south of Camp. On Saturday the gang headed out fairly early and boogied over to Laconia on some of the bumpiest roads I have ever ridden on, but it was a quick ride to just get over there. Once there we took in the sites at Bike Week, got some T-Shirts, and basically sweltered. All of us looking forward to the trip home as we were taking the Kancamangus Highway...excuse the spelling!! This was my and Robby's first time on that road and it turned out to be a beautiful ride and excellent road!! While in Laconia we also ran into Keith, Hannah, and Charity. We stayed up at Camp Saturday night and then I boogied down South down 91 to pack and head to Hartford to catch my plane to Dallas. I got stuck in a pretty good thunder storm on the way home but was completely dry by the time I got home.. I don't think Chris and Josh had that much luck as it started to rain heavier after I got home.

Then, this past weekend while many of you hopefully were enjoying the Ft. Ticonderoga ride with Floyd, my Family went over and ran Paul's ride with the Red Knights. This was also a nice ride and a great temperature to ride. There was a pretty good showing there of maybe 50 people, this ride is in memory of Dave Emery's brother who succumbed to cancer and benefits current cancer patients by providing gasoline cards for there transportation needs.

A couple of notes: I would ask that everyone that wishes please Pray for Mayda and Les as they endure another round of chemo, pray for safe treatments and a healthy recovery. Also, if anyone hasn't heard, Keith bought a house in Chesterfield. It is a great place with a fantastic view...email him for directions so you can go over and check it out!!

Lobster Run is this weekend, Leaving from Burger King in Bratt at 8am....you don't want to miss this!!

God Bless,

Adam
