

Friends of Yards Creek Scout Reservation had another successful work day on Sunday, September 25th. We installed new split rail fencing around the Archery area, as well as the BB gun area. This is a welcome change from yellow rope and caution tape. Now, there is a permanent fence around both areas with an entrance gate. We hope to complete fencing around the Rock Throwing area at a later date. The fencing was purchased with money donated to FOYCSR through our fund raising efforts.

In addition to the fencing, the shed was painted and several cords of wood were split and stacked. FOYCSR is a newly formed 501(c), 3 organization designed to revitalize Yards Creek Scout Reservation. We are made up of 7 trustees and over 70 members. Over the past year we have made a notable impact on Yards Creek. We are proud of our members and our supporters. Please join us as we work to improve this beautiful camp for future generations of scouts.

A special thanks to Steve Hollifield, his wife and Franklin Smith for reconnecting with Yards Creek after so many years. It was great to meet you all. Thank you again to Gary Nagy, and Kurt Merrill of Taylor Rental for their generous support of our efforts. Thank you to the many volunteers that came out and helped lend a hand.
