

## 2008 SU Football Draft Beer Pouring Fundraiser

CNYCC and SNAP are looking for 20 fun loving volunteers to pour draft beer until the end of half time at concession stands in the Carrier Dome during **all 6 home football games**. In return both organizations will receive much-needed funds from the University, to be used to support the valuable programs we provide.

Total volunteer time approximately 4 hours with a break before half time starts. Each volunteer receives a coupon for THREE FREE FOOD ITEMS from a concession stand and can then watch the second half of the GAME FOR FREE.

Beer pourers are required to report to the dome 2 hours before game start time. Free parking passes are available and volunteers meet a half hour before reporting time in the parking lot of the PetSmart Store located on Erie Blvd to obtain passes, Car-pooling is always encouraged.

NO shorts or open toed shoes can be worn - it a Health Code. Volunteers must enter the dome using Gate C only. All are provided a hat and are assigned a stand in pairs.

Start time for games that might be televised, are not scheduled (TBA) and may be announced only a few days in advance. But the date and opponents are set, so round up your buddy and plan to enjoy the 2008 SU Football Season at the Carrier Dome with us.

If interested please contact both volunteer coordinators with as much advance notice as possible.
