

Dear Friends

Thank you for all you do to help protect animals. Your commitment, compassion and love really do make a difference. Your support of the spay/neuter programs of the Central New York Cat Coalition and other animal welfare agencies is preventing the births of millions of unwanted kittens who would face a life of homelessness, sickness and even abuse out on the streets. Your support is improving the lives of thousands of homeless cats who are finding homes through adoption.

The Central New York Cat Coalition, now in its fourth year, is entirely volunteer- run. We have no physical shelter building or paid staff, but in our short history, we have spayed and neutered over 2,000 cats and kittens, adopted out more than 600 animals, and fed and fostered thousands more.

We are doing important work and, as you know, we cannot do it without financial support. *That's why we are running our second annual "Saving Four Paws at a Time" Raffle. We think this is a perfect win-win solution to fundraising.* We raise much-needed funds, and we can also say thank you by giving you the opportunity to win some money.

We have enclosed six raffle tickets for you to sell to friends—or to buy yourself. They cost **\$5 each** or **6 for \$20**. Just fill out the stub and mail it to us, along with a check, in the envelope provided. You could win \$500, \$300 or \$200. The drawing will be at the Dewitt PetSmart on the evening of December 1, 2006. You don't need to be present to win. Please return your tickets and check by November 29. If you want to contribute more than the cost of the raffle tickets, we would certainly appreciate that.

Thank you again for your love and compassion for animals. We feel the same way.

Sincerely,

The Board of Directors of the Central New York Cat Coalition

P.S. Please take a chance on winning \$500 in our raffle, but please don't leave the welfare of helpless cats and kittens to chance!
