## **Spay/Neuter = No More Unwanted Cats**

---

The Central New York Cat Coalition (CNYCC) has become an important voice for the helpless and homeless cats in our community. We have been involved in the rescue of thousands of cats. We make sure that every cat we help is spayed/neutered and vaccinated. For each cat we fix, we are preventing the births of thousands of unwanted cats over the next five years.

We are dedicated to improving the health and welfare of homeless cats and kittens. Many have horrible stories of abuse, neglect and abandonment. When possible, we help neighborhood people provide foster care or rehabilitation while the animals await adoption. We return some cats to their neighborhoods if someone will take responsibility for feeding and sheltering them.

We are always in need of foster homes..

**Please foster a homeless cat.**

### **Our programs**

**Spay/Neuter assistance.** Preventing unwanted births through spaying and neutering is our primary goal. CNYCC transports homeless and abandoned cats and kittens to low cost spay and neuter clinics. We also help low-income people spay/neuter their cats and kittens by providing transportation and financial help. Call our Helpline for information

**Food pantry.** Low-cost dry cat food is available through our bulk purchase program with a pet food manufacturer. Donations of food from local stores also allow us to distribute free food to low income people for their pets or the stray animals they care for.

**Adoption.** We partner with Long Island's North Shore Animal League (NSAL), the largest no-kill shelter in the U.S. We transport hundreds of younger cats and kittens to NSAL each year for adoption. We are also proud to be PetsMart's local Adoption Center partner.

**Shelters.** Coalition-built shelters are available for some sites with supervised feral colonies.

## **We need to work together...**

---

The Central New York Cat Coalition is an all-volunteer group of committed people who have one thing in common—our love and concern for homeless cats. But there are too many cats in need and not enough people to help. Please volunteer your time:

- ◆ Become a foster home
- ◆ Socialize cats/kittens to make them adoptable
- ◆ Provide transportation to spay/neuter clinics
- ◆ Answer the Helpline
- ◆ Distribute posters and brochures
- ◆ Build shelters
- ◆ Trap feral cats or feed a colony
- ◆ Help out at our PetsMart Adoption Center

*Together* we can

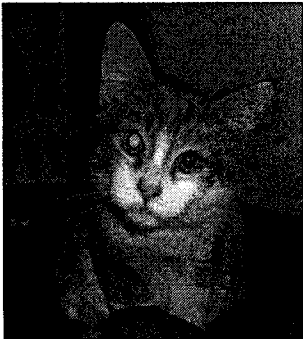

- ◆ Raise awareness of the plight of homeless cats and kittens
- ◆ Prevent the births of unwanted cats
- ◆ Create a community known for its progressive and compassionate programs.

*Together* we can
