

# Star Readers Committee Presents

## 1st Ever Cobbles Book Swap

To kick-off the 2008-09 reading program, we would like to send home a "new to you" book with EVERY student at Cobbles!

Students, please bring in two good condition books that you no longer read - one to swap with a classmate, and one to be donated. Our goal is to give every Cobbles student a "new" book to read and share extras with the students at School 33, our buddy school for the coat and clothing drive later this year.

### Instructions

- What:** Bring in two books at your reading level (k-6 reading level preferred) that you are willing to give away for the swap. Collection boxes will be outside each classroom.
- When:** Monday, September 29th through Friday, October 3rd, drop off your books in the collection box outside your classroom. On Wednesday, October 15th, one "new to you" book will be delivered to every Cobbles student.\*
- Why:** To share books we have enjoyed with our classmates and to kick-off our "Campaign for Reading '08."
- Who:** Participation is voluntary. Each student will get a "new" book, regardless of how many he/she is able to bring in.

\*If we do not reach our goal of 530 books, then books donated will be delivered to the classroom teachers to augment the classroom libraries
