Parent Representative Needed for Cobbles Shared Decision Making (SDM) Team

The Cobbles SDM Team is in need of a parent representative. The Cobbles SDM team consists of the principal, 4 teachers, and 2 parents. The Committee's purpose is to establish and review certain school policies, curriculum development, the School Development Plan, and other issues that may arise. If you have considered getting more involved in issues directly concerning Cobbles, this is an excellent opportunity to add a parent's perspective to an influential committee. Please consider the following information when making your decision to join: 1) All parents/guardians of Cobbles students are eligible and encouraged to run for this position, 2) All Cobbles parents/guardians are eligible to vote, 3) The term of office is approximately 2 years, 4) The Cobbles SDM Team usually meets once a month, dates and times to be determined by the team. (The team has met on Wednesdays from 3:40-5:00 pm the last two years.) Prospective candidates should complete the self-nomination form below. If you would like more information about this position or the SDM team, please contact current team member Amy DiFranco (amy@difranco.com). Please consider yourself for this important position. Help make a difference!

Deadline to Submit Self-Nomination Form: May 15, 2009
