

**Serving homeless mothers
and their children**

January 7, 2010

Prince of Peace Lutheran Church

Clifton Park, NY 12065

Dear Friends,

Now that the 2009 holiday season is winding down, I wanted to personally thank you for participating in Adopt – A – Family through St. Paul's Center. This year we were able to help 34 families by providing them with gifts and meals. We are only able to do this through the generosity of people like you in our community.

I want to share with you some of the heart-felt words of appreciation that the mothers have expressed to me through their thank you letters: "Thank you for making this holiday wonderful for me and my children. It has been a rough year, but has been blessed with the help of St. Paul's Center."

When one of the St. Paul's Center staff arrived at a mother's home, she was greeted with a big hug. As tears filled her eyes she said, "Thank you, now my children will have a wonderful Christmas this year."

With your help we look forward to bringing hope and joy to our families in the future

Again, on behalf of St. Paul's Center, the staff, the board of directors and most of all the 34 families we were able to give a bit of cheer, thank you and best wishes for a happy and healthy new year.

Warm regards,

David R. Rossetti, LCSW-R
Executive Director
