

Dear parents, players, and friends of Cuyahoga Falls Little League North:

CFLLN has been creating lifetime memories for many years. I would like to congratulate all of the players for a great 2011 season and thank all of our All Star players for representing CFLLN with your competitive and sportsmanlike play. I want to first introduce myself, my name is Michael Pollard and I have been elected the new President of CFLLN, taking over from Tom Morehouse. I want to thank Tom for all his work as President over the years to help bring CFLLN into the forefront of youth sports in our community. I was born and raised in Cuyahoga Falls and this will be my fifth season with CFLLN and I am taking on this task because I believe in this community and the positive experience my 9 year old son had thus far with this league.

Our mission is very clear, we are here to develop our children into extraordinary citizens, and baseball is our means to that end. With a great complex facility, CFLLN is able to offer a variety of programs designed around six (6) baseball fields. Our programs include our core baseball leagues Majors, AAA and AA and A, as well as an instructional Division for 4, 5 and 6 year olds. Our goal for 2012 is to improve on our successful past with changes to help enhance your child's Little League experience. This will be accomplished with the dedication of several individuals that are stepping up to form an exciting board determined to continue to make CFLLN a solid organization.

Let's start with 2012!

- We will be offering more opportunities for fundamental skills training seminars at the complex
- We are investigating workshops for managers to have opportunities to better their coaching techniques
- The league will offer a more affordable option for our instructional system to introduce young children to baseball
- We support the options of travel teams for children to extend their playing time and CFLLN continues to maintain the set schedules for players who would like to participate in such leagues and still take part in the Little League experience.

As a reminder:

- Majors play MON-WED-FRI
- AAA play TUE-THU-SAT
- AA and A play MON-WED-FRI-SAT

The 2012 CFLLN signups will take place on Jan. 28 and Feb. 4 at the Northampton United Methodist Church on Bath and Northampton Road from 10:00 am to 2:00 pm. We look forward to your children registering for the upcoming season and the board will be present and available for comments, questions and or concerns you may like to discuss.

Finally, I would like to thank all of the businesses that support youth sports and CFLLN. Registration dues cover only part of the costs to operate our league, while the rest of the funds come from concessions, events, and our wonderful sponsors. I encourage you to patronize the businesses that support CFLLN.

Sincerely,

Cuyahoga Falls Little League North
Michael E. Pollard, President
