## Children's Church News:

### Fun Days of Summer

Children's Church will look a little bit different during the summer months. Instead of doing a traditional classroom style with a different bible story each week, we will be doing one bible theme for each month.

August's theme will be “The 12 Disciples of Christ”. Each week there will be different stations that the kids attend that will give them a different way to learn about the Disciples. These stations might include: a bible lesson, games, art, cooking, science and experiments, drama, and video. We are really excited about the new format and are sure the kids will love it!

**August 15<sup>th</sup> – “We love the Hartford Fair”** – Our tribute to the Hartford Fair! We'll be celebrating all the awards, trophies, and fun we all had at the fair this year.
