Council and some other members of the church enjoyed a visit to Liberty Presbyterian Church on June 17th. Seen here is the entry to the lovely memorial path behind the church, which was an architectural marvel in itself. The path has given us some inspiration into the possibilities we have here at Highwater. We also visited Key Cuts in Johnstown and got some ideas on different stones and carving abilities for our path. Our evening ended at Cracker Barrel in Delaware.

Food pantry items are always welcomed and a collection container is located in the Narthex. However, it would be great if everyone could remember to bring an item to be collected on the last Sunday of each month. At this time Canned veggies, Canned Baked Beans, Jiffy Cornbread Mix, Jelly, Condiments, and Jell-O are needed. Also greatly enjoyed are leisurely items such as books and magazines you have already read, and puzzles you have completed and are wondering what to do with them now. Also, we continue to collect 'change for change'. A jar is located in the Narthex. Please consider dropping some pocket change into the jar. Missions will allocate the collection to coordinate with the church's current missions project. *Thank you for your ongoing support as we help our neighbors in need.*

Worship and Music Ministry Reports —

In order to bring more music to the worship service, we have decided to develop a job description for a choir director. Our plan is to solicit music students from Capital, Otterbein, Dennison, OSU Newark and the Mt. Vernon Nazarene college. We have had several choir directors in the past that have been students at local colleges and universities. We will keep you posted on our progress.
