

Highwater's Youth Announcements from Christian Education Ministry

Six of our middle school students (Austin Campbell, Evan Rowe, Tanner MacLachlan, Riley Kegler, Elise Stone, and Alyssa Zaar) along with two chaperones (Kyle Campbell and Rev. Torie Front) are heading up to Cleveland on October 31 to the "Acquire the Fire" concert and conference. Each student is paying \$25 towards the trip, and our goal is to raise money to cover the rest of the costs. Tickets, hotel, and food are being estimated at \$900. One anonymous Highwater member has volunteered to pay for the gas for the trip - thank you! Another Highwater member found us a discounted rate for a downtown Cleveland hotel, and we are hoping that someone has a vehicle that will seat 8 people (and luggage) that we can borrow.

So, how are we going to raise the funds to cover these costs? By having a **Highwater Day of Service!** On **Sunday, October 26**, immediately following a quick lunch at the church, the middle school youth group will head out to YOUR house to help with raking leaves, cleaning up the yard, washing windows - you name it, we'll do it! Sign-up sheets are located in the hallway leading to the kitchen on the newly designed "FROG" bulletin board. Anyone can sign up for this help, and there is no set fee - you determine the size of your donation.

If you have questions, please see the middle school youth group leader Becky Campbell or Rev. Torie - and thank you in advance for your support!

We are sad to announce the resignation of Grace Waggoner, our Director of Youth and Family Ministries. We pray for continued success for Grace and her wonderful family. We deeply appreciate her devotion and leadership to our youth of all ages.

We also would like to thank Chris and Tracy Storts for their hard work. They have resigned from the Christian Ed Ministry.
