Food pantry items are always welcomed and a collection container is located in the Narthex. However, it would be great if everyone could remember to bring an item to be collected on the last Sunday of each month. . . At this time ketchup, mustard, salad dressings, relishes, mayonnaise, and soup are needed. Also greatly enjoyed are leisurely items such as books and magazines you have already read, and puzzles you have completed and are wondering what to do with them now.

Also, we continue to collect 'change for change'. A jar is located in the Narthex. Please consider dropping some pocket change into the jar. Missions will allocate the collection to coordinate with the church's current missions project. *Thank you for your ongoing support as we help our neighbors in need.*
