This is such a great condo, complete with character AND modern amenities. Walk through the lush courtyard to the entrance which is set back from the street, offering a sense of tranquility. Upon entering the unit there is a gallery space to the right of the foyer which the seller currently uses as a bar area. Large and newer kitchen with granite countertops, newer HVAC, French doors to Juliette balcony overlooking gorgeous and mature gardens, lovely hardwood floors throughout, and stackable washer and dryer in 2nd bedroom/office. Additionally this unit comes with a covered garage space though the building is so wonderfully located you can walk everywhere: University Circle, Coventry, Cedar-Fairmount, as well as parks and recreation. Fabulous 1917 building with red tile roof and the unit has a cool and unique floor plan...DO check it out!
