

LSA Student Directory

The LSA puts together a Student Directory each year. The directory comes in handy if you need to contact a classmate or parent for a variety of reasons. In order for us to print your child's name in the directory, we need a signed permission form. A new form must be filled out each year. You may include all students living in the same household on one form. There is no charge for the LSA Student Directory and they will be distributed upon completion.

Please return the form to school by Wednesday, September 15th
