

Project Linus

Providing Security Through Blankets

Union County, Ohio Chapter

Loving and Giving!!

I want to thank all of you who have generously given this past month. Not only in making blankets but also for a generous financial donation from Mary Mathewson and a \$1000 grant that is coming from Operation Round-Up.

This past weekend I had the opportunity to go on a Women's Retreat with 11 sisters from Calvary Baptist Church. We talked about knowing how to receive God's

love so that we can give love. When we all put our differences aside and work for a common goal we can really make an impact in our community. Nothing is ever beyond forgiveness. I pray that our group continues to keep the children in mind that we are helping. Loving them and Giving of our hearts and our time to comfort them in their time of need.

Thank You's !!!!

Dear Project Linus, On behalf of Turning Point, I would like to thank you for your generous donation of blankets. How nice of you to think of us! Help such as yours makes it possible for Turning Point to successfully address the needs of victims of domestic violence. Thank you again for your support of Turning Point and the families we serve.

Sincerely, Paula Roller

Lone Star Quilting Company

I visited the new quilt shop that opened at Festifair. It is located at 108 South Main street in Marysville, next to the Sherwin Williams Paint store. It's a beautiful store where you can purchase fabrics and all your quilting needs. The store is owned and operated by Debbie Wheeler. The phone number is 937-644-1234. Hours of operation are Mon, Wed, Fri and Sat from 10-5 pm, and on Tues and Thurs from 10-8 pm. Visit their website @ www.lonestarquilting.net.

They offer machine quilting services as well as classes offered for various projects, so make sure you stop in and check them out. The official Grand Opening is on October 10th from 10am-5pm with lots of goodies and door prizes!!!
