

Be a Room Parent

Room Parent | Volunteers **NEEDED**

Welcome to the 2010-2011 school year at St. Teresa of Avila. Are you interested in meeting your child's friends, meeting new parents, and being an active part of your child's classroom?

Then "leave a mark" and volunteer to be a Room Parent!

As members of the Room Parent Volunteer Program, we can help our children have a fulfilling year by becoming involved in their wonderful school community. Additionally you gain the benefit of working with the dedicated staff that devotes their time and energy to teaching our children.

ROOM PARENTS

Be the main line of communication between parents and teacher in your classroom.

Assist teacher with setting up special events and/or projects or help find an available parent.

Organize class parties when/if the teacher wants – parent helpers, ideas, food, games, etc.

Contact room helpers when needed.

Assist with teacher appreciation days.

ROOM HELPERS

Help room parents with all/some of the above.

Please Note: There may be up to 2 Room Parents per class. Turn in your form early for first consideration. Room Helpers unlimited!

If you have more than one child at St. Teresa and you want to be involved in additional classrooms, please fill out the boxes on the reverse side as needed to indicate your choice preference.
