

Easy Four Patch from PBS

June program. KQG

Cut strips Three (3) inches by WOF, you can use fat quarters.

Two each color, light and dark. Press to dark. Layer right sides together, light to dark, dark to light.

Mesh seams together. Pin with flower head pins.

Straighten left side and then measure and mark 2.75 inches first mark, then 3 inches across the strips.

On sewing machine, sew on marked lines.

On cutting board, cut to the right of the sewn seam  $\frac{1}{4}$  inch . Continue cutting until all the 4 patches are cut apart. Press.

The directions are given for right hand, reverse for left hand.

You can cut your strips any width, mark first mark  $\frac{1}{4}$  inch smaller, remainder marks should be same as width of your fabric strips.
