We will need people to bring wheelbarrows, shovels, rakes, pruners, etc. Let's get this cleaned up before the school year starts! We have moved 2/3 of the wood chips already, so this should go quick.

Here are some events to start planning for:

[WEBELOS Weekend 2007](#) – Save the dates - October 5,6,7.

We had a fantastic time at camp this year. The food was much better, the weather was nice, and the program was improved. 2008 details are available on our website. If we sign up by Christmas scouts can save \$40 and parents \$30. We have to start sign up early. The theme for 2008 is the Wild Wild West.

Parents &  
Leaders Only

### Training

There are many training opportunities available for all parents. If you are interested, contact Scott Hotham. All leaders need to be trained in "Youth Protection" and "Leader Fast Start" which are both available on the web – go to <http://www.buckscountybsa.org/> and select the Training link on the left side. Leaders should also attend a Cub Scout Leader Class. **"Trained Leaders make the best leaders."**
