Scouts & Parents

**Rocket Ree – Sat. Oct 27th 4PM Central Park**

The scouts have to build and paint (permanent markers work well too) the rocket before Rocket-Ree. Then the scout will get to launch the completed rocket via our control panel and new launch pad. Arm the rocket, start the countdown and smash the button to launch.

Here are some events to start planning for:

Overnighter – (Being moved to the spring, Zoo or Rock Climbing)

WEBELOS Day at Camp Kirby - November 20.

**Anyone know of any events the scouts would enjoy? Let me know and I will post them here.**

We had a fantastic time at camp this year. The food was much better, the weather was nice, and the program was improved. 2008 details are available on our website. If we sign up by Christmas scouts can save \$40 and parents \$30. We have to start sign up early. The theme for 2008 is the Wild Wild West.

Parents & Leaders Only

**Training**

There are many training opportunities available for all parents. If you are interested, contact Scott Hotham. All leaders need to be trained in "Youth Protection" and "Leader Fast Start" which are both available on the web – go to <http://www.buckscountybsa.org/> and select the Training link on the left side. Leaders should also attend a Cub Scout Leader Class. **"Trained Leaders make the best leaders."**
