

# Pack 24 Parent e-Letter

## September 25, 2006

[Visit our website! Click Here!](#)

### Cub Master's Corner

We've had a great start to this year. The Fossil Hunt was a blast. Everyone found some shark teeth and other fossils then Mr. Aunins identified and labeled them. The bike stunt course was a hit at the September pack meeting. Even though it got dark the scouts kept riding over the ramp and across the bubble wrap. Thank you to the parents who helped out and stayed after to help clean up.

[I would like to send out a big welcome to our new scouts!](#)

Please send any comments/suggestions/photos to me. PLEASE!!!

[Also please share this letter with your son so he can talk up scouts to his friends. We are always looking for new recruits.](#)

Family Event

### [Doyle Trail Clean-up – Sat. Sep 30 \(Rescheduled\), 10AM Doyle](#)

The mulch has been dropped off in small piles around the trail, so it just needs to be spread around. Come out and pick up sticks and replace mulch where needed. We may need to dig a few drainage trenches or remove some roots. Bring a shovel, axe and/or a steel rake. There probably isn't more than an hours worth of work.

### [October Pack Mtg –Rockets Red Glare –Tue. Oct 17, 7PM Doyle](#)

At this pack meeting we will have an outdoor flag ceremony and learn about flags and the "Star Spangled Banner". Each den will get to raise and lower then fold a flag. Then we will have an activity to help the scouts learn the "Star Spangled Banner".

Scouts Only

### [Rocket Ree – Sat. Oct 21, 4PM Central Park](#)

The scouts have to build and paint the rocket before Rocket-Ree. Then the scout will get to launch the completed rocket via our control panel and new launch pad. Arm the rocket, start the countdown and smash the button to launch. We are moving the Rain Gutter Regatta to June. [If you haven't received a rocket you should get it at your den meeting or at the Oct Pack meeting.](#)

Bring a Buddy

Scouts Only

**November Pack Mtg – Astronomy – Monday Nov 6, 7PM Doyle**

Tuesday is Election Day, so this meeting will be on Monday. At this pack meeting we will focus our activities around the stars and planets in our sky. We will have telescopes and have them focused on the moon and any planets that are in view. Bring your own telescope if you have one. Binoculars work OK for viewing the Moon.

**Scouting for Food – Sat. Nov 4 9AM – 12PM**

Scouts Only

We will collect food for local food pantries just in time for the holidays. The scouts hand out a grocery bag to patrons at a local supermarket and ask them to buy something for the food pantry and put it in the bag, and then the scouts collect the bag on the way out. Last year we collected 700 Lbs of food.

**Fall Bonfire and Pumpkin Chuckin’ – Sat. Nov 11 4PM – 7PM**

Family Event

Bring your pumpkins new or used and we will launch them with our Trebuchet (like a catapult). We will have the telescopes set up again and see what looks different in the sky. We will cook some hotdogs in the bonfire. We will end the night with a flag retirement ceremony.

**Food Assignments:**

Tigers – Juice Boxes

WEBELOS I – Hotdogs / S’mores

Wolves - Chips and Pretzels

WEBELOS II - Deserts

Bears - Hot Chocolate
