

French Creek Valley Antique Equipment Club

14TH ANNUAL SPRING SHOW & PLOW DAY: APRIL 30TH, 2011

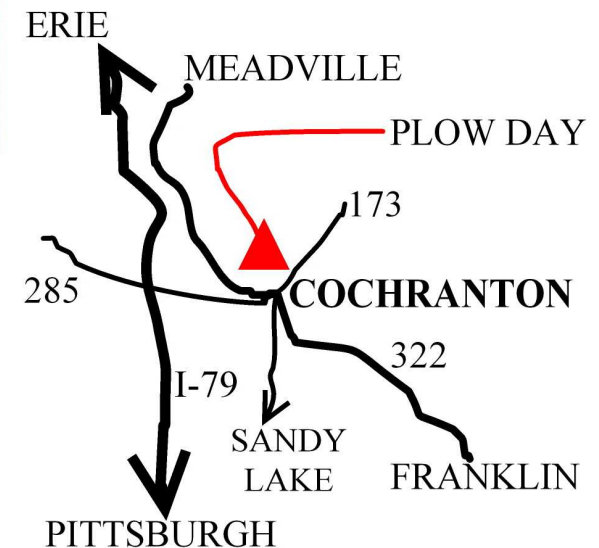

RAIN OR SHINE

We are gathering for a fun day of plowing, harrowing & good conversation at the John & Margaret Alsdorf residence. Their farm is located 1.5 miles north of Cochranton on Rte. 173.

We have plenty of room to plow, disc, and harrow so don't forget the equipment. If you don't have equipment, just come out & watch, share some good fellowship & bring a covered dish to share.

From I-79 Exit 141: Take PA-285 East 7 miles to PA-173, Turn left, cross PA-322 (blinker), continue on 173 for another mile. Alsdorf's Farm is at the top of the hill on the left.

The last 13 years, we have had a wonderful time and have had the opportunity to see many farming artifacts in operation . If you have an exhibit of farm related items, we'd love to see them too.
