Notes from Linford

Saturday, November 20th, 2010 the annual **Project Linus Thank You Tea** was held at Landis Homes. Approximately 35 blanketeers were in attendance as Jill Harsh and her sisters Dyan and Joan provided the blanketeers with a lovely tea complete with tea sandwiches, soups and desserts. They served hot teas of choice in china tea cups. The tables were set in a festive Thanksgiving theme. Each blanketeer chose a door prize as the event unfolded.

Our guest speaker was Kathy Minnerly, a staffer at the Lancaster YWCA. She explained to whom the blankets are distributed at the YWCA. They are used at the daycare center, at counseling sessions, and special events like Martin Luther King Day. Kathy shared that even the older children, including teens, found comfort from our blankets. She shared that she herself received a blanket from an organization when she was growing up and that she still has that blanket today. She understands the importance of our blanket donations and THANKS each blanketeer for helping provide comfort(hugs) and warmth to children in need. Kathy couldn't thank our blanketeers enough for caring about children. Kathy shared that fleece blankets are a favorite for both young and older children and that the young children love the quilts with panels such as Care Bears. Blankets that are 40 x 60 are wonderful for the older children.

It was a wonderful and productive day on February 19, 2011 at the annual **Make-A-Blanket-Day (MABD)**. The total number of blankets and quilts finished that day was 377. A delicious lunch was again prepared by Jill Harsh. Door prizes were given to many of the approximately 30 attendees. Thanks to Lisa Garner for organizing the door prizes and to Jo Stauffer for organizing the quilting that took place that day.

New door prize chair

Phyllis Davis has agreed to be the new chairperson for door prizes.

Red, White and Blue

The Lititz/Lancaster chapter of Project Linus continues to make patriotic blankets in support of programs for military children. Tragedy Assistance Program For Survivors (TAPS... <http://www.taps.org>) is a program to give patriotic red, white, and blue blankets to children of military personnel who die when on active duty. We usually send in the beginning of May for their "Good Grief Camp for Young Survivors" held over Memorial Day weekend. As of March 1, there are 31 red, white, and blue blankets on hand. Snowball Express (<http://www.snowballexpress.org/>) is an organization that this chapter has been supportive of in the past. We'll send a shipment to Snowball Express in November of 2011. Please continue your efforts in making patriotic blankets.

Project Linus Mission

Fellow Blanketeers: The following description of Project Linus will be included in each newsletter. Please feel free to share your newsletter with friends. Hopefully the information provided will help newcomers understand our two-fold mission:

Project Linus is a 100% volunteer non-profit organization with a two-fold mission.

- First, it is our mission to provide love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need through the gifts of new, handmade blankets and afghans, lovingly created by volunteer "Blanketeers."
- Second, it is our mission to provide a rewarding and fun service opportunity for interested individuals and groups in local communities, for the benefit of children.

Blanketeers, please remember every blanket you have donated has touched the hearts of children and their families. Please keep the blankets coming as you are "Making a difference".

What Kind of Blankets Do We Need?

New, handmade, washable blankets for preemies through early teens.

Blankets should be: **MADE OF NEW MATERIALS**

- Knitted, quilted (please include batting in quilts), crocheted, fleece, sewn, etc.
- Child friendly colors and patterns
- **Sizes:** 36 X 36 to 40 x 60 requirement by National

Our chapter takes 30x30 as requested by one of our hospitals

Our chapter also takes 24" wide by 18-36" long for Ephrata Neonatal unit

Important Reminders

- New, handmade, washable blanket materials should not contain any wool due to allergies of children.
- Material preferred for quilts: 100% cotton as it is softer for children

Below is a statement posted by National Blanket Beacon:

Please do not make your blankets out of tapestry, burlap, upholstery fabric, 70's type double knit, felt, vinyl, wool, or wool yarn. Please do not use fabric that has been stored in a damp area or has a musty smell. Mold spores can cause an allergic reaction in a child and are very difficult to remove from the fabric. Blankets that smell of smoke cannot be accepted.

More information and free pattern links can be found on the local and national web sites.

What Else Can I Do to Help?

- Donate stamps for newsletters (each newsletter mailing takes over \$70 of stamps; so even a book of stamps helps defray the cost)
- Donate gift certificates from JoAnn Fabrics or AC Moore (enables us to purchase batting, material and yarn)
- Organize fund-raisers
- Check with your place of employment to see if they have a volunteer grant program application
- Organize a (church or scout) youth group to collect skeins of acrylic yarn to be made into blankets (each youth member could bring one or two skeins of yarn)
- Ask Linford for National's donation letter to present to a business who might contribute to our chapter

Maybe you are wondering why we need fund-raisers for Project Linus. As we are strictly a volunteer organization, we have no funds unless we raise them ourselves.

What do we need funds for? Each year we try to keep our members informed about our chapter, 3-4 times. Although we have many on our e-mail list, we still have nearly 160 newsletters that must be mailed and each mailing costs over \$70. Thank you's are also mailed as well as reports required by National. Every Make A Blanket Day we have expenses for materials including batting, cotton fabric, etc. When we take on special projects such as Snowball Express we pay shipping costs. So as you can see, our chapter couldn't exist without income. Fund-raisers or donations from businesses are our primary means of gaining income. So if you are interested in organizing fund-raisers we could certainly use your expertise.

Blanket Tips

Please be careful when storing blankets before dropping off. If blankets have a mildew smell they cannot be used. Blankets should be stored in a dry location. Again this is due to children's allergies, especially asthma, being triggered.

- **Please remove all pins** before handing in blankets
- **Batting should be included** in all sewn blankets (quilts) except for fleece
- If you are attaching labels but don't like hand sewing, the labels can be attached using **Ultra Heat'N Bond**
- Please **check for loose yarn ends** before handing in blankets
- New, handmade, washable blanket materials **should not contain any wool** due to allergies of children
- Material preferred for quilts: 100% cotton, it is softer for children
- On fleece, **remove printed salvage end** before fringing or finishing
- If you attach your name and/or address to a blanket please use yarn or a return mailing address label - Remember all pins must be removed.
- Fleece blankets-**single layer fleece** are preferred as double layered are very heavy; check out links on the national and local websites for finishing ideas; fringes do not need to be knotted but can be cut with wavy scissors, etc.
- Please do not store blankets with **mothballs** as it renders them unusable.

Yarnies- Please check yarns carefully for wool content as many new yarns are incorporating a low percentage of wool in their content and no wool is allowed in Linus blankets.

It is no longer possible to track individual blanket donations due to the growth of this local chapter. Blanketeers will have to track their own numbers if they desire that information. The coordinator will only be tracking the total of incoming and outgoing blankets.

Thank You Notes Received

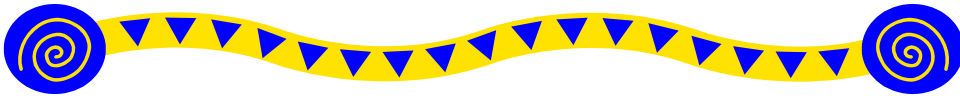

Thank you from Women and Babies Hospital:

Dear friends at Project Linus,

Thank you so much for the steady supply of blankets you send to Women and Babies Hospital. Our NICU parents love seeing the brightly colored blankets covering their little ones' isolettes. And then they get to take them home when baby is ready to go.

Bless you all.

Lori Roscoe
