## CLM's Coaching Ministry Expands

### The C&MA

Dr. Paul Dordal was recently hired by the Western Pennsylvania District's Church Planting Director, Rev. Joe Toomey, to begin coaching eight church planters and pastors from across the district. The district's goal is that every pastor will have a ministry coach to encourage, guide, and empower them to success in their ministry.

This new ministry for CLM's Executive Director perfectly aligns with CLM's mission to "mentor and coach individuals with potential to transform their community through leadership development ...."

To learn more about the C&MA's work in Western Pennsylvania visit their

website at [www.cmawpa.org](http://www.cmawpa.org).

### Urban Impact

Dr. Dordal has also started a new ministry with the Urban Impact Foundation on the North Side of Pittsburgh.

Urban Impact's mission is "to do their part in fulfilling Christ's Great Commission on the North Side of Pittsburgh, by following His model of holistic ministry by investing in the lives of at-risk children, youth, and their families in order to develop mature, responsible followers of Christ. "

Dr. Dordal started full-time on August 1st as Urban Impact's Senior Director of Development.

His primary responsibilities include overseeing the resourcing of the various ministries, equipping and training the ministers, and coaching each of the leaders in the organization.

Urban Impact's ministers and missionaries work in programs as diverse as summer day camps, athletics, performing arts, after-school programs, community development, and leadership development.

The clarion call of Urban Impact is to "see lives holistically transformed ... one person, one family, one block at a time."
