## First Two CLM Seminars Are A Great Success!

### Coaching For Life Change

Dr. Paul Dordal led two successful transformational, equipping seminars in the months of September and October. Over 40 pastors and Christian leaders attended the seminars.

The first seminar equipped leaders to coach other leaders to success. The seminar material were passed on to the pastors to be used not only to coach individuals, but to train others to be good coaches as well.

A week after the seminar was completed, one pastor emailed Dr. Dordal and said he used the materials to train his local pastor's ministerium.

The seminars were attended by mostly seasoned pastors, who were looking to advance their training. The participants came from all ethnic and racial backgrounds, as well as a diverse mix of denominational and non-denominational churches.

The biblical principle that helped give birth to CLM is being accomplished: *And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others.* (2 Timothy 2:2).

### Transforming Your Board

The second seminar on transforming boards was widely received, and more

Christian Non-Profit leaders attended. The post-seminar reviews were as encouraging as the first, with many repeat attenders committing to attend future equipping seminars.

Because of the encouraging responses to these two seminars, and the number of people wishing to attend, who couldn't, they will be repeated in 2009.

Dr. Dordal will lead at least eight more seminars in 2009, including the much anticipated "Great Commandment Leaders" training which forms the core training offered by CLM.

Pray for future development and influence of CLM as it transforms leaders who transform the world.

## Funding The Future Of CLM

In 2008 CLM spent more money than it brought in. The ministry had excellent reserves from 2007, but the 2009 budget is being projected to be \$15,000.00.

An appeal for funds will be sent in November for the 2009 budget.

Please be in prayer now for those who are being touched to support the expanding ministry of CLM, and that God would supply all the ministry's needs, according to His glorious riches in Christ Jesus.

If you would like to supply the needs for a particular

project or program, we would enjoy having the opportunity to speak with you about your giving desires.

We are trusting God to continue to grow CLM's ministry, as we train and multiply Godly leaders.
