Your Son, Scouting, and You

Most parents want their sons to grow up to be persons of worth, self-reliant, dependable, and caring individuals. Scouting has these same goals in mind for boys.

Scouting develops strong values in each boy. Scouting honors the home, school, and religious organizations as the origins of our youths' values. Scouting's goal is to nurture and extend these values by emphasizing the Scout Oath and Law.

Scouting teaches first aid, swimming, outdoor skills, hiking, camping, and many other skills—life skills they will take with them into adulthood. Knot tying might seem a quaint and outmode skill in this computer age, but such hands-on learning develops coordination and helps boys realize their own potential for learning and mastering new skills. That builds pride and confidence to handle challenges that cross their path. Scouting builds young men who are competent to handle the tough questions.

While every skill Scouting teaches is important, the self-confidence, fun and sense of accomplishment boys get from skill-building activities are equally important. Each Scouting activity has the basic goal of building character. In Scouting for today and tomorrow, character counts.

Did You Know?

For every 100 boys who join Scouting:

- 12 will have their first contact with a religious organization
- 5 will earn their religious emblem award
- 1 will enter the clergy
- 18 will develop hobbies that will last through their adult lives.
- 8 will enter a career that was learned through activity badges
- 1 will use his Scout skills to save a life
- 1 will use his Scout skills to save his own life
- 17 will become Scouting volunteers
- 4 will become Eagle Scouts

Scouting alumni include:

- 63% of Air Force Academy graduates
- 68% of West Point graduates
- 70% of Annapolis graduates
- 72% of Rhodes scholars
- 85% of FBI Agents
- 85% of Student Council Presidents
- 89% of senior class presidents
- 90% of the first 26 astronauts
- Over 90 million Scouts since 1910

A Cub Scout who is in the fifth grade spends the last six months working toward the highest award Cub Scouting offers – The Arrow of Light. Typically in February, Second Year Webelos Scouts graduate from the pack and join the local Boy Scout troop. The requirements for the Arrow of Light help to prepare a young man to join Boy Scouts.

1. Be active in your Webelos den for at least six months since completing the fourth grade and earn the Webelos badge.
2. Show your knowledge of the requirements to become a Boy Scout by doing the following:
 - Repeat from memory and explain the Boy Scout Oath and Law.
 - Tell how you practice them in your everyday life.
 - Give and explain the Boy Scout Motto, slogan, sign, salute, and handclasp.

- Understand the significant of the First Class Scout badge.
 - Tell how a Boy Scout uniform is different from a Webelos uniform.
 - Tie the joining knot (square knot).
3. Earn 5 additional activity badges
 4. With your den, visit a Boy Scout troop meeting and a Boy Scout oriented outdoor activity.
 5. Participate in a Webelos overnight camp out or day hike.
 6. Complete and turn in a Boy Scout joining application at a conference with a Scoutmaster.

Pack Activities

Most packs conduct a well-planned and organized annual program. You will receive a specific calendar of events for your pack, which may include several of the following:

Pinewood Derby

Boys and their parents build cars from pine blocks and race. Awards may be given for fastest, best design, and much more.

Blue & Gold Banquet

Celebrate the anniversary of Scouting in February with your pack with dinner, entertainment, and special ceremonies.

Cub Scout Sports and Academics

Earn belt loops and pins by participating in a wide variety of sports and academic activities.

Scouting for Food

Participate in a national service project to collect canned food that is then distributed to the needy in your community.

Field Trips & Activities

Your pack will participate in local field trips and in district and council activities like Scout Days with sports teams, family camp, and fishing derby.

Camping & Outdoor Programs

Camping and outdoor activities fulfill a Cub Scouts dream of fun, excitement and adventure. They provide a natural setting for quality time with family and friends. Camping satisfies young men's curiosity about the pioneering way of life in America. Minsi Trail Council sponsors camps with certified leadership and ideal settings for activities such as swimming, archery, BB guns, boating, nature, ecology, crafts and games. Many opportunities are waiting for your son and his family.

Cub Scout Day Camp

Cub Scout day camp runs during the summer months. Monday through Friday, during the day. A full, detailed schedule of dates, times, and costs is mailed to all registered Scouts about six months before camp begins. Additional information is available at the council offices.

The council conducts a number of district day camps each summer. Each summer, camp is centered around a theme. More information can be provided by your district executive or by calling the council office.

Day Camp offers challenging and fun activities for all Wolf, Bear, and Webelos scouts.

Cub Scout Resident Camp

Trexler Scout Reservation, located in Jonas, PA, is the home of our Cub Scout Resident Camp. The programs at "Akelaland" provide a natural bridge from Cub Scouting to many of the activities in Boy Scouting. The boys sleep in tents and spend their days pursuing outdoor skills combined with many fun activities. Nights are spent around the campfire with songs and skits.

Cub Scout District Events

Each district offers special day long or weekend campouts or special activities. See your Cubmaster or contact your district executive or Activities Chairman for specific details on these events.

Signing Up!

How Do We Get Your Son Signed Up For Scouting?

Step 1: Organize Dens

- Your pack will create dens by forming groups of boys by grade.
- Dens should be at least 4 boys, but no more than 8 boys.
- It helps to group boys by neighborhoods and/or friendships

Step 2: Recruit Leaders (Boys or Books?)

- Decide as a parent, would you rather help the pack by working directly with the boys or by working with the “books.”
- An adult application needs to be completed for all new leaders.
- Boys—Within the organized den, 1 parent needs to volunteer to be the den leader, and at least 1 parent needs to volunteer to be an assistant den leader.
- Books—The other parents will be asked to volunteer to help on the pack committee as a event chair, secretary, treasurer, advancement chair, etc.

Step 3: Complete Registration

- An application will need to be completed for all boys.
- Remember to include birth date, address, phone number, and parent’s signature.
- Registration fees will be collected with the applications.

Step 4: Share Vital Information

- It is important that the new den leaders have a copy of the den roster.
- Also, each family should complete the Parent Talent Survey listing all the ways that you might be able to help the pack.

Volunteer Now to Become a Scout Leader

Scouting is a volunteer organization. Parents of the boys are the primary source of leaders in Scouting.

As a leader, you will not only serve Scouting, but you will have a chance to spend quality time with your son and his friends.

Volunteer leadership has many intrinsic benefits:

- Satisfaction of being in a worldwide movement;
- Privilege of helping to strengthen families;
- Opportunity to be a positive role model to youth and adults;
- The fun and fellowship Scouting provides

“A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove; but the world may be different because I was important in the life of a boy.”

—Walt Whitcraft

Training Opportunities

Leader Essentials and Cub Scout Leader Specific Training:

New Leader Essentials is the initial training for adult leaders. New leaders in Cub Scouting, Boy Scouting, and Venturing all complete this part of the training. As a group session, it lasts approximately 90 minutes. Leaders learn about the objectives of the Scouting program and the methods used to achieve them.

Cub Scout Leader Specific Training includes five different courses related to specific Cub Scouting positions—Cubmasters and assistants, pack committee chairmen and Members, Tiger Cub den leaders, Cub Scout den leaders and assistants, Webelos den leaders and assistants.

You must complete both Leader Essential and a Leader Specific course. It is the philosophy of Minsi Trails Council that a Quality Program begins with quality volunteer leadership. Quality volunteer leadership starts with participation in one of these high quality training courses.

For more information about training:

Call Priscilla Nagy at 610/465-8578 with questions or to register. Or visit www.minsitrails.com for specific dates and to register.

Uniforms

Uniforms are not required to join Scouting, but they provide a special way for boys to display awards earned and show Scout spirit. Your pack has its own uniform guidelines. Uniforms can be purchased at our Scout Shop, as well as at a number of sporting or department stores.

The Council could use your support too...

In order for the many identified Scouting Services to be provided for you and your son, Minsi Trails Council needs to raise additional funds. To support the Scouting program in all areas, we need to raise an extra \$100.00 per youth member.

Each year, usually in January or February, all Scouting families are given the opportunity to participate in the annual Friends of Scouting campaign to help support the annual cost of Scouting. You have the opportunity to help.

Between now and the time when the Friends of Scouting Campaign representative visits your pack, if you feel that the Scouting program has had significant impact on your son, please consider becoming a Friend of Scouting and make a contribution to the ongoing success of Scouting and in making a difference in the lives of boys.

Mission of Boy Scouts of America

It is the mission of the Boy Scouts of America to serve others by helping to instill values in young people and, in other ways, to prepare them to make ethical choices during their lifetime in achieving their full potential. The values we strive to instill are based on those found in the Cub Scout Promise and Law:

Cub Scout Promise

I, _____,
promise to do my best
To do my duty to God
and my country,
To help other people, and
To obey the Law of the Pack.

The Law of the Pack

The Cub Scout follows Akela.
The Cub Scout helps the pack go.
The pack helps the Cub Scout grow.
The Cub Scout gives goodwill.

Vision of the Minsi Trails Council

- Every Scout advances in rank each year;
- Every Scout has a summer camping experience each year; and
- Every Scout has a trained leader.
