

Hi everyone,

The kick-off of the 2009 campaign is quickly approaching – all units are asked to participate in this fundraising effort to support the quality programs and activities for our Scouts. Please contact our Family FOS Chair, Patty Gaugler, at pgaugler@rcn.com or 610-432-3364 to schedule a presentation date. We are looking for more help this year, hoping that you or someone from your unit, will join our FOS presentation team. Whether you'd be willing to present to only one unit, your own, or even several units, we will be holding a short training session in January for all involved which will include a preview of the materials, as well as a sample presentation performance. People who present for 3 or more units this season will receive a commemorative polo shirt as a special thank you. Feel free to invite anyone who you think might help out!

Yours in Scouting,

Arby Beisel
