

# THINK SNOWBOUND!

## NORTH VALLEY DISTRICT SNOWBOUND 2010

January 15-17, 2010  
Trexler Scout Reservation

Preparations are underway for the annual North Valley Snowbound Event. The event format will be similar to past years and we are looking for volunteers to help run stations. We had some really great new stations last year and we're planning more variety this year.

**If you are interested in running a station please contact one of the co-chairs below.** This year we will again be presenting awards for the most creative and challenging stations so be prepared to have some fun.

Please mark the dates on your Troop calendar for this event. More information and a Snowbound Leaders Guide will be provided as preparations are finalized. We're not sure we can guarantee snow like last year, but, we will promise a great time for all who participate!
