

BOY SCOUTS OF AMERICA MINSI TRAILS COUNCIL NORTH VALLEY WEBELOS WINTER EVENT 2010

March 3, 2010

On Saturday, February 27th, over 50 Cub Scouts throughout the North Valley District of Minsi Trails Council braved the cold day of the winter so far to participate in an all-day, outdoor event held annually at Bicentennial Park, East Allen Township.

The event is geared towards Webelo Scouts (4th and 5th grade). Boys team up to participate at various stations designed to prepare them for cold weather activities and for their transition to Boy Scouts. Stations tested their current skills or taught them new ones. The teaching stations included First Aid, Map Reading, Lashing, and Scout Lore. The skilled stations included Ice Rescue, Tent Pitching, Three Man Snowshoe and the Klondike Sled Race.

In addition to the stations, the adults built fires to cook lunches over. Hotdogs and hot chocolate were in abundance!

Cub Packs that participated included Pack 32, 33, 43, 61, 72, 145, 150, 187 and 242. The top scoring teams were Pack 32 Team B 1st, Pack 150 Team A 2nd, Pack 43 3rd, Pack 61 4th and Pack 32 Team A 5th.

The stations were run by Boy Scout Troops, Cub Scout Packs and our very own Boy Scout Roundtable Commissioner Linda Roth from the area and the East Allen Township Volunteer Ambulance Corps ran the Basic First Aid station.

Also the winner of the 2010 Webelos Winter Event Patch Design Contest was AJ Wertman from Pack 60.

Thanks to all of you that made this event a great success.

Sincerely,

David Klembara
Webelos Winter Event Chairman
